Jim / Brian,

As a follow up to the email from [REDACTED], I met with [REDACTED] on Monday to provide an update.

We had a good meeting and [REDACTED] is positive on the CTA decision and certainly an advocate of our successful relaunch.

Going forward, I suggest you guys send [REDACTED] a note acknowledging the outstanding invoice for prior work done (I have included copies of the invoice and the work summary if you need them). I think you should also describe the process / timing for payment, once the investment funds are realized.

Finally, I suggest Brian be the ongoing focal point for [REDACTED], as it is really the payment issue to be managed.

Let me know if you have any questions.

Regards,

Bob
