Dear Madam Secretary:

Re: Mr. Christopher C. Johnson and Dr. Gábor Lukács v. Air Canada
Application concerning failure to apply the tariff and application of terms and conditions not set out in the tariff and with respect to delayed passengers
Case No.: 15-05627
Air Canada's further sabotaging compliance with Decision No. LET-C-A-6-2016

I am writing to alert the Agency that Air Canada continues to sabotage compliance with Decision No. LET-C-A-6-2016: over the weekend, Air Canada sent me a scan purporting to be Document A-2, but with an entire row of information whited out on the page that is marked "Page 2 of 3."

The Applicants are respectfully requesting that the Agency order Air Canada to provide the Applicants with the Document A-2 **in its entirety and without erasure.**

Dr. Gábor Lukács
Co-applicant and
representative for Mr. Johnson
