Re: Complaint by Mr. Gábor Lukács against Air Canada
CTA File No. M 4120-3/11-06673

We acknowledge receipt of Dr. Lukács' letter dated September 28th, 2012.

At this time, Air Canada maintains its previous submissions, including those regarding the fleet used by Jetz, an Air Canada division dedicated exclusively to offer special entity charters and not individual contracts of carriage to the general public. Should the Agency wish Air Canada to provide further information on the fleet used by Jetz, including the types of aircraft and their capacity, Air Canada requests that the Agency issue a direction to do so. At this time, however, Air Canada considers that this information and debate on Jetz is grossly beyond the scope of the present proceedings and will not further delay the present proceedings by addressing Dr. Lukács' submissions in this regard.

Sincerely,

Julianna Fox
