Subject: Request for an extension of time - Case No. 14-02973

I have been directed by the Agency to communicate that it grants WestJet an extension of five business days to file its answer. The deadline for Mr. Lukacs reply is also extended by that same period.

WestJet is reminded that any request for an extension to file a submission with the Agency must be filed early enough to allow enough time for the other party to respond and the Agency to rule on the request. This request was filed on the same date the answer was due and WestJet surely was aware that it required the extension before today.

Please confirm receipt to all.

Sincerely,

Cathy Murphy
