**RE :** *Dr. Gábor Lukács v. Canadian Transportation Agency (A-218-14)*

---

### **DIRECTION**

The Court was under the apprehension that it had already received Mr. Lukács submissions on the Privacy Commissioner's motion to intervene. It appears that the Court took Mr. Lukács' written submissions on his motion to quash the motion to intervene as including his submissions opposing the intervention. Certainly there were statements in it that could be taken to be submissions on the merits. Mr. Lukács says this was in error.

Mr. Lukács may file his responding submissions within ten days of this Direction. The Privacy Commissioner may reply within four days of being served with Mr. Lukács' submissions. The Court will then consider the matter.

Upon issuing its order, if necessary, the Court will address the timing of the next steps in the proceeding.
